Key Note Speaker _____

David L. Rosenbloom, Ph.D.

Director, Join Together

Dr. David Rosenbloom is one of the nation's leading experts in addiction policy and health care. His nearly 40-year career includes leadership positions in the academic, public, not-for-profit, and business arenas including being the founder and director of Join Together, the nation's leading source of information on addiction, and professor of public health at Boston University. He is the author of more than 45 articles, monographs and books on addiction, health care and American electoral politics.
